Memorandum:-

Mr. Hume,

General Inspection of Land
in Area "B".
Calgary Agency.

Tp. 25, Rge. 15, W.4.Mer.,
N.E. 7, N. & E of River,
S.E.33.

Question - - Disposition of land.

Homestead Inspector Woodlock reports the N.E. 7 is all cut up with the Red Deer River, unfit for agricultural purposes, some land on bottom of river might be useful for grazing but hard to get at. The Agent might, therefore, be instructed to post this quarter-section for leasing only and Land Patents Branch and Timber & Grazing Lands Branch advised of this reservation.

With reference to the S.E. 33 Homestead ~~Inspector~~ Woodlock reports this quarter-section as only fit for grazing on account of being so sandy and as the former entrant on this quarter-section was unable to successfully farm this land on account of drought I would suggest that the Agent be instructed to post this quarter-section for leasing only, and Land Patents Branch & T. & G. advised in this connection.

There is nothing on file to indicate any Seed Grain indebtedness.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who earned patent for the quarter section above described and provided this is the only claim for which you have obtained a homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be the authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re: Account of Mike Maran
S.W. 7-33-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $136.00 was advanced to Mike Maran on the security of the above mentioned land. A payment of $50.00 was received in 1928 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 136.00	$ 264.45	$ 400.45

The S.W. 7-33-7-W4 was formerly the patented homestead of the debtor on which security he obtained an advance of seed grain in 1919.

In reply to our questionaire of the 26th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this parcel is vested in this department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a cultivation permit. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale."

The information obtained indicates that the land is such that it is unlikely ever to be disposed of by sale and no longer offers any security of ~~any~~ value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Dear Madam:

Your letter of September 25th has been received in this office and in reply to your enquiry regarding Mr. Delmar Lee Garland, I may say that a man of this name obtained homestead entry for the S. E. ¼ of 22-33-6 W 4th Mer, April 28th, 1909, and pre-emption entry for the S. W. ¼ of this section the same day. He stated that he was 22 years of age, born in Iowa, U.S.A., and his previous occupation was horse dealer. The entries were cancelled April 9th, 1910, at Mr. Garland's request.

In order to obtain land entry a settler filled out and signed an affidavit that he was over 18 years of age. It was not necessary to be a British subject to obtain entry but before patent issued for the land, proof of British nationality was necessary.

Yours very truly,

J. Lorne Turner

Sir,-

N.W. ¼ of Sec. 9 Tp. 33 Rge. 5 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patents or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John D. Likness, Esq.,

COMMISSIONER
DOMINION LANDS
SURVEYS BRANCH

Sir:-

IN THE MATTER OF [illegible] 33-33-7 West 4th Meridian.

Referring to my Application for Abandonment of the above mentioned Homestead and Pre-emption, which was made about the 25th of March last, you will note that the improvements at that time consisted of 90 acres of breaking, double disked, valued at $450.00 and so in this connection, I would like to say that arrangements had previously been made with the party who done the breaking for me last year, to put this breaking into crop as soon as spring opened; and owing to an unusually early spring; some delay in mail service and the distance from Post Office, word of my Abandonment did not reach the party engaged to put in the crop for me, until the crop was all in.

This 90 acres is, therefore, now all into crop, and so I take this way of asking that you permit me to amend my valuation of improvements making same read One Thousand ($1000) Dollars. This amendment will just cover the additional cost of disking, harrowing, drilling and seed grain for this 90 acres; and I respectfully ask that this amount be collected before entry can be made, providing entry is made in time to harvest this crop.

In the event of entry being made and the party making entry should want an inspection, I, of course, shall be pleased to be guided by the valuation of the Homestead Inspector, but I submit, that in all fairness, $1000.00 should be collected in the meantime if entry is made in time to harvest the 90 acres of crop in question.

This man had no right improvements at that time consisted of 90 acres of breaking, and the land was abandoned. When re. entry granted made with the party who done the breaking for me last year, and will get to put this breaking into crop as soon as spring opened; and owing to an unusually early spring; some delay in mail service and the distance from Post Office, word of my Abandonment did not reach the party engaged to put in the crop for me, until the crop was all in. report and valuation and submit case here.

Memorandum.

Cancellation proceedings were instituted on the 27th September 1911.

Defence filed which shows 3 months' residence since April last. House 20. 10 acres of breaking.

The entrant files a medical certificate which shows that he is in the hospital at Castor, seriously ill with typhoid fever. Seven neighbours in the vicinity and also Homestead Inspector Whiteside write on his behalf, and I would suggest that the proceedings in question be held over until the 1st April next. Final notice.

Respectfully submitted,

Mr. Sheppard,

In your memorandum below you refer to an abandonment of a portion of a homestead, and state that this is required in order to deal with certain applications made by The Canadian Pacific Railway Company for ballast pit purposes.

The records of this Department show that on the 12th of September, 1912, Quarry Lease No. 287 was issued in favour of J. B. Riddall, comprising the South half of Legal Subdivision 12 of Section 18, Township 36, Range 11 West of the 4th Meridian, and that on the same date Lease No. 288 was issued in favour of J. G. Osborne, comprising the South half of Legal Subdivision 11 of the same section.

No doubt these leases are the ones to which you refer as having been acquired for ballast pit purposes by The Canadian Pacific Railway Company.

The Secretary,

Dear Sir;-

We have a footing the following leases were issued and assigned to the C.N.R. Company:-

James George Osborne - N.½ S.E. 11 in 18-36-11-West 4th-80 acres
James Bramwell Tisdall- N.½ S.E. 12 in 18-36-11- est 4th-80 acres
Thomas Leslie Harris - S.½ S.E. 5 in 18-36-11-West 4th-40 acres
William T. Hanna - S.½ S.E. 6 in 18-36-11-West 4th-40 acres.

This land has been found unsuitable for the purpose for which the lease was secured and the ballast pit has been abandoned. I understand that only a small portion of the area has been affected by the excavation which was started by the Company, and that some of the adjoining settlers now desire to acquire this land.

I believe the C.N.R. Company has already paid several year's rental on this property which should be a sufficient to cover any damage which may be done to the property, and I beg to make application for leave to surrender the lease in order to let private individuals acquire the land for farming purposes. Kindly advise me if this will be satisfactory.

Yours truly,

A. McPherson,

Thomas Pearson secured patent for 3
Homestead, being part of the N.W.¼ 18-26-11-W.4th M.
The westerly 40 acres of this quarter-section was
not patented to Mr. Pearson as the C.P.R. wanted it
for gravel-pit purposes.

The land has been relinquished by the
C.P.R. and it was decided to allow Thomas Pearson to
purchase the 40 acres at the Inspector's valuation of
$20.00 per acre.

It was afterwards found out that Thomas
Pearson had sold to H.B. Aspden and the latter applied
to purchase. I presume it would be satisfactory to
make a sale to Mr. Aspden at the Inspector's valuation
upon his submitting satisfactory evidence of ownership
of the balance of the quarter-section.

For particulars and rough sketch please
see Departmental memo of the 5th March last. (earlier).

Sir,

Part of N. ½ 18-26-11- 4th Mer.,

I beg to acknowledge the receipt of your letter of the 11th ultimo forwarded here by the Agent of Dominion Lands, Calgary, wherein you state you are the owner of the patented portion of the above described quarter section and requesting that you may be permitted to purchase the unpatented portion, the most southerly forty acres, [redacted].

In reply I am to inform you that it has been decided to permit you to purchase this area at a Homestead Inspector's valuation of $5.00 per acre upon submitting satisfactory evidence that you are the owner of the balance of the quarter section.

Either the whole or one quarter of the purchase price should be remitted to the Agent of Dominion Lands, Calgary, within sixty days from this date and the balance in three equal annual instalments subject to interest at six per cent on the unpaid portion of the principal. The rate will be increased to seven per cent where the instalments are not paid on the due date thereof.

Mr. Homestead Inspector Kembry under date of the 17th June last, reports:-

"About thirty acres of this land has been "quarried by the C. . . . and gravel removed to a depth "varying from 6 to 18 feet. I would recommend that "Mr. Lepden be allowed to purchase it at seven "dollars per acre."

It might be noted that Mr. Homestead Inspector Kembry reporting on the said . . . of Jewel Subdivisions 11 and 12 under date the 1st January last, on file No. [illegible], valued their price for the land was $5.00 an acre, while in the above quoted report he recommends a sale at the rate of $7.00 an acre although the two parcels lie in each other and appear to be quite similar in nature.

If a sale is authorized it will require to be subject to the applicant filing evidence to cancel of the said . . . of the . . . . of Section 18.

MEMORANDUM:

N. O. Côté, Esq., I.S.C.,
Controller.

By the departmental letter of the 28th August last on file beneath, and the Assistant Secretary's letter dated the 12th May, on file No. 184482 herewith, Mr. H.L. Aspden was advised that he had been granted permission to purchase the N. ½ of the S. W. ¼ of Section 18 and the S.½ of Legal subdivisions 11 and 12 of the same section, in Township 16, Range 11, west of the 4th Meridian, comprising in all 140 acres, the first mentioned parcel at the rate of $7.00 an acre and the second parcel at the rate of $5.00 an acre, subject to filing here evidence of ownership of the balance of the S. ½ of the section.

Mr. Aspden now advises the Department that after making application to the said land he went to Northern British Columbia and on his return found the Departmental correspondence regarding the same.

He is desirous of acquiring the land, having repaired the fence on the west boundary along with his own, but as he had a complete crop failure this year, he is unable to make payment therefor before next fall.

Under the circumstances, I beg to enquire if he may be granted an extension of time to the 1st November next.

Replying to your letter of the 14th ultimo, wherein you make application for an extension of time, I beg to inform you that you have been granted until the 1st December, 1918, within which to make payment of the amount due in connection with your purchase of the N. E. ¼ of the . . . of Section 18 and the . . . ¼ of the subdivisions 11 and 12 of the same section, in Township 6, Range 11, West of the 4th Meridian.

Sir,

Replying to your letter of the 31st ultimo relating further to the permission granted you to purchase the N.½ of the S.W.¼ of Section 18 and the South halves of Legal Subdivisions 11 and 12 of said Section 18, Township 36, Range 11, West of the Fourth Meridian, I beg to say that, under the circumstances, it has been decided that you may have an extension of time to the 1st November next within which to make payment of the amount due in connection with the sale of these lands to you.

I may add in reply to your enquiry that there would appear to be no objection to your cultivating the lands in question but with regard to your desire to dispose of any available gravel thereon, I may say that there would not appear to be any provision whereby you might dispose of any gravel which may be found on the land until such time as you shall have acquired title thereto.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: J. N. Donald, No 79324,
Fr. S.E.¼ 35-57- 3-W.5th M. and
Fr. S.W.¼ 30-58- 2-W.5th M. S.G.

The above named settler secured advances from the Board totalling $2715, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Donald requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Donald states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 17th March, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1831), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness of it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the Fr.S.E.¼ 35-58- 3-W.5th M. and Fr.S.W.¼ 30-58-2-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

THE [illegible] MINISTER OF THE INTERIOR
[illegible]

5th May, 1921.

Fr. S.E. - 25-5-3-M.5th E. and
Fr. S.W. - 30-5-2-M.5th E. S. W.
J. M. Donald.

Memorandum:

Mr. Greenway.

Pursuant to the arrangement whereby the Deputy Minister is required to institute the Vesting Orders submitted by the Soldier Settlement Board before receiving the signature of the Minister, you might prepare a statement submitting the Sale for the consideration of this office in the usual way.

Deputy Minister.

AND WHEREAS J. N. Donald is a settler within the meaning of the Soldier Settlement Act who holds the Fr. S.E.¼ 25-38- 3-W.5th M. and the Fr. S.W.¼ 30-38-2-W.5th M.;

I would point out that on the 17th of January, 1910, Demorest applied for a refund and that Tucker's re-entry was granted on the 4th of March, 1911, subject to payment of the Homestead Inspector's valuation of the improvements, which was not made until last month, when, of course, they had deteriorated. The Agent instructed Mr. Leisemer on the 9th May, 1911, and had the report been made last summer, as it should have been, the value would likely have been larger than $15, in consequence of which the first homesteader sustains a loss.

SENT

Sir,-

N.E. ¼ Sec. 4 Tp. 58 Rge. 18 West 4th Mer

Referring to your application for the privilege of taking up a second Homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained a homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Dear Sir

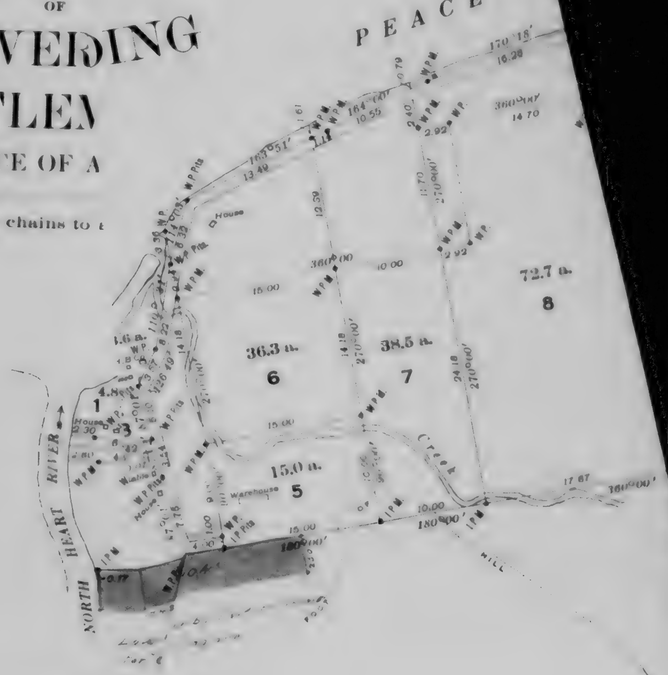

Replying to your letter of July 28th 09 which was in answer to ours of April 26th 09 Applying to the department for a grant of 10 acres of land for Church purposes. I may say that of the two plotts marked red on the enclosed map it is the Western one adjoining the (North Heart River) we are desirous to secure. But we should prefer to take the grant of land differing somewhat in position, that is touching the South West Corner of the Lower or South West Corner of the Peace River & Slave Lake road taking about 1/3rd of the depth shown on the map included, that is going 1/3rd of the distance up the hill from the surveyed lots, making up the area in that direction from Heart River to the other lot marked red as shown on our fencel line. Our reason being that the upper half of the lot we desire, in the position marked by you is too steep & abrupt for any purpose even for use as a cemetery. If in the rules of your department there is no serious obstacle to our having the land in the position shown by our fencel line on your map it would better suit our purpose, the fact we have indicated to trouble is any fine one such a purpose.

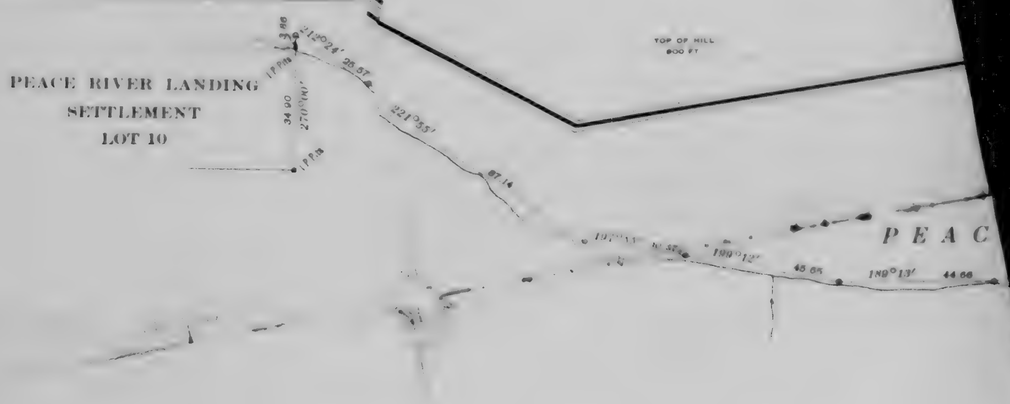

The cause of our delay has been the awaiting for the Bishops Approval. (Bp Holmes) I Remain Dear Sir

Very Sincerely Yours

MEMORANDUM:

Referring to your memorandum of the 16th March, file 1857643 herewith, in connection with the application by the Reverend Robert Holmes, on behalf of the Church of England, for the survey of a parcel of land adjoining lots 4 and 5, Peace River Landing settlement, it is not proposed to lay out any more lots in this vicinity.

The lands adjoining this Settlement are being subdivided by Mr. J. S. Galletly, D.L.S., this year. The surveyor has been instructed to take statutory declarations and to note carefully any improvements he finds on the ground, showing clearly to whom they belong. This will enable the Department to deal with the lands and to give each applicant the parcels on which his improvements are located.

In the Assistant Secretary's letter of the 10th February, file 1857643, Mr. Holmes is asked whether he desires to acquire the parcel of land, as other applications are pending his decision. I beg to return you, herewith, your reference 50cl.

I believe the matter is the same as that about which the Ven. Archdeacon Robins was enquiring when here recently, and refers to a 10. acre parcel adjoining lots 3 and 4 of Peace River Landing Settlement.

The Surveyor General informed me at that time that a surveyor named Mr. Gallately is to make the necessary survey and has had instructions to make the survey in accordance with the wishes of the Church authorities.

The claims referred to in your reference, namely, those of the Roman Catholic Church and Lambert Lynn, do not affect this parcel, they being for a parcel of land south of lot 12 of that settlement. There was another application by Mr. C. J. Small for a parcel of land which would affect the application of the Church of England but is subsequent to their application. Mr. Small was advised that his application could not be dealt with as the land has not yet been surveyed.

When the Archdeacon was here he stated that he

Sir,-

I have the honour to inform you as follows concerning the survey of a site for the church of England mission, adjoining the Peace River Landing Settlement.

The site selected by Rev. H. Holmes has its boundaries as follows: On the east by a line parallel to E.Fy. of ~~xxx~~ Lot. 4. P.R.L. Settlement. On the N. by the southerly limit of a surveyed road,- this road was, I believe, surveyed by the provincial government and I deemed it advisable to have the limit of it as one boundary. On the west side, by the E.Fy. of lot 4 P.R.L. Settlement, and on the south by a line whose bearing is 7°- 15' (referred to bearing of E.Fy. of lot 4 which is given as 360°00') This line last mentioned, as E.Fy. of block, follows the south heart River and along the top of a cut bank after the River turns to the south. The block comprises as nearly as possible ten acres. Tne notes will be forwarded to you at an early date. Just as I was completing the survey, a member of the Catholic mission came and informed me that they (the Catholic Mission) had also a claim on the same piece of land.

It appears that a Mr. L. Lynne squatted on the claim sometime last summer and did so, according to the representative of the Catholic Mission, with the consent of the late Bishop Holmes, who is said to have informed Mr. Lynne that the Church of England had given up the claim to the Block so surveyed. This last statement is repudiated by Rev. H. Holmes and at least one other member of the English Church, Mr. H. George the Hudson's Bay factor here.

We

We found some improvements as performed by Mr.Lynne,namely the skeleton of a house and some fencing.

Rev.E.Holmes left with me a letter addressed to the Hon. E.Rogers and stated that I might either use the information it contained or forward it to you. I have preferred to do the latter and you will find it enclosed.

The representative of the Catholic Mission showed me a receipt from Mr.Lynne to the effect that they had purchased his improvements.

Hoping you will find this information concerning the matter to be sufficient,

I have the honour to be,Sir,

Your obedient servant,

Hon.Sir,-

Regarding the 10 acres grant of land for Church purposes at Peace River Crossing.

I Robt.Holmes made application in or about feby 1909 & in reply was asked for particulars of proposed site. I sent particulars or handed them to Bishop Holmes to communicate. I heard nothing further from the Department. In the meantime the congregation have built a church costing upwards of $1500 fifteen hundred within one quarter of a mile of the proposed site applied for on land obtained by the Congregation. We have burried 3 persons on the said site & fenced round a Cemetry pending the governments assurance of possession of the land applied for. We have held services & had congregation here for the last eight years. I the Minister in charge with the Congregation have known that the Bishop was in communication with the department re this land.

In Feby last 1912, I had a letter from your department asking if we still required the land we had applied for, as others were applying for land here & ours was prior claim. I wired reply, saying we needed the land, & asking for order to be given to the D.L.S now operating here to survey for us the ten acres applied for. Accordingly Mr.Galletly D.L.S., asked me to meet him re surveying the claim.

To-day I was called to Mr.Galletly's tent and found a representative of the Roman Catholic Church endeavouring to claim the same ten acres Site. Up to the present they have had

no

services here,but a month ago put some building material on part of our claim. We have burried 3 persons on the ground for which application was made to the government & fenced round a Cemetry & intend to fence in the whole and make further improvements,& in due course,build a small church and probably a Parsonage.

Last summer a gentleman named Lambert Lynne came to the Crossing & proceeded to fence round our proposed claim.We told him,we had applied to government for the same,& took no further notice considering our claim.Well established. If necessity should require,we will answer questions,or swear an affidavit to these facts.

Praying your equitans decision in this matter,

I am faithfully yours,

(signed) Robt.Holmes.

Re parcel of land adjoining Lots 4 & 5 Scarr River Landing reserved for the Church of England.

On the 26th April 1909, the Rev. Robt. Holmes applied, on behalf of the Church of England, for a grant of the above land. His application was approved on the 31st January 1910, after the parcel had been sufficiently described, and the Rev. Holmes informed on the 5th February that the grant would be made upon the usual conditions being complied with. None of these conditions appear, so far, to have been fulfilled.

The Department is now informed that one Lambert Lynch squatted in 1911 on this piece of land, made various improvements, put up a little shack, and, in the fall of 1911, sold his claim to the ~~Rev.~~ present in charge of the Mission in this locality, who ~~since~~ proceeded to build — a church on the land.

Both missions now refer the matter to the Minister for adjustment.

This parcel of land was recently surveyed and attention is called to the Surveyor's letter, dated April 5th 1912, attached to [illegible] 1857. 3 Encls.

[illegible]

Referring to your communication of the 26th April last, addressed to the Honourable the Minister of the Interior, and to your personal letter of even date to Mr. Cote, with regard to your desire to secure a church grant at Peace River Landing, I beg to state that on inquiry it is found that the particular parcel which you mentioned and which adjoins lots 4 and 5 in the settlement in question, was reserved for church purposes in favour of the Church of England as far back as the month of February, 1911. While it may be quite true that since that date the authorities of the Church of England have decided it advisable to erect a church on another site which they have acquired from a private individual, the fact remains that it is still their wish to retain the parcel as a cemetery site and also for the erection of a church. It is understood that a number of bodies have already been buried on this land and, under all the circumstances, it is hoped that you may be able to secure another suitable site elsewhere. I am very sorry that there should have been any misunderstanding in this relation, because the Department is always anxious to meet the views of the authorities of the various churches in matters of this kind, but you will readily understand that as the land had already been disposed of to another church the Department could not very well now withdraw your application favourably.

Yours very truly,

Re Scrip Warrant for a grant of Lot No 18 of Peace River Landing Settlement to the Church of England

This is one of the cases where the issue of the patent was stayed pending the filing of evidence of incorporation of the Church in the Diocese of Athabasca.

The Deputy Minister today asked me to tell you that the patent is to be issued in the name of Edmonton Frederick Robinson, Bishop of Athabasca, and that if there was no other reason to the contrary, the issue of patent is to be proceeded with.

D. Sellwood

There is no record of any patent having been issued for any land in the Peace River or Athabasca District in the name of your predecessor, the late Bishop Holmes, but it is found that two grants were made to the Church of England by letters patent, dated 3rd January, 1906, and 16th February, 1910, respectively, upon applications which had been made by him, for Lot No. 64 Heart River and Salt Prairie Settlement and for parts of Lot No. 11, Shaftesbury Settlement.

I have the honour to be,

My Lord,

Your Lordship's obedient servant,

Dpt W W Cory

Deputy Minister.

The lands described in the two parcels last mentioned were granted by Order in Council to the Church of England, and in these two cases I am advised that the patents could not, in any event, be issued until letters of incorporation have been obtained; and that in the other cases, where the lands have been acquired by ordinary purchase and have been paid for, there would not be any serious objection to the patents being issued at once in your own name, but it is considered that it would be much more satisfactory and more regular were the patents to be issued in all these cases in the name of a properly incorporated body. The delay in the issue of the letters patent in these cases need not in any way prevent you, in the meantime, from making use of the lands which are enumerated in the accompanying list and which are being held by the Department for the Church of England.

So soon as the money for the several parcels which have been selected but which have not yet been paid for in full, is received in the Department, a formal receipt in each case will be issued and sent to your address.

My Lord,

In compliance with your verbal request, I beg to send you, herewith enclosed, a statement showing the present standing of the lands in the Diocese of Athabasca which have been applied for by the Church of England and also the further action which is required in each case before the issue of letters patent for the several parcels of land enumerated therein may be proceeded with.

It will be observed that in the five following cases the issue of the letters patent have been stayed pending the receipt in the Department of letters of incorporation:-

I beg to return you, herewith, your reference 128-9, respecting Lot 13, Peace River Landing, sold to the Church of England.

His Lordship the Bishop of Athabasca states that certain maps are being published locally showing that the above lot belongs to the Edmonton, Dunvegan and British Columbia Railway.

In this connection I might say that this lot was sold to the Church of England at the rate of $3.00 per acre and contains 10 acres and has been paid for, but the issue of the patent is being withheld under your instructions, until letters of incorporation have been filed here. We have no knowledge of any claim of the Railway Company to this lot.

Mr. A. Lowe,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

re: A. R. Scott
N½ of 10-39-9-4th
Dominion Seed Grain

In the year 1918 the above named party obtained a seed grain advance from the Dominion Government in the sum of $ 91.00, on the security of the N½ of 10-39-9-4th which land was held by him under homestead entry.

No repayments have been made and the amount outstanding as at March 31st, 1940, was in the sum of $ 211.20.

Mr. Scott served Overseas with the Canadian Expeditionary Forces and upon his return obtained advances under the Soldier Settlement Act to purchase the N½ of 10-39-9-4th and to provide buildings, stock and equipment. The existence of the lien, we are advised by the Settlement Board, was not brought to their attention until June 1942.

The debtor failed in his farming venture and abandoned the farm in 1934. Eventually the farm was sold to a settler under the British Family Settlement Scheme at a loss of $ 3,165.97. This settler recently made application under the Farmers' Creditors Arrangement Act and the terms of review reduced the debt to the Soldier Settlement now from $ 6,561.79 to $ 1,300.00.

The Soldier Settlement of Canada has now requested release of this lien.

..... Cont'd

Cont'd.....

Since any money paid in settlement of this account would merely mean a transfer of moneys from one department of the Dominion Government to another; and as it is my understanding that the Soldier Settlement of Canada has no appropriation for the settlement of an account of this nature, I would recommend an unconditional cancellation of this lien and as there is no further security, other than the personal covenant which is valueless, I recommend that the account be written off.

Yours very truly,

Memorandum:

Application of Napoleon Rousseau to purchase those portions of the E. ½ 34--38--1, W. 5th M., shown on the plan of survey as covered by water.
Hatched in red on the sketch attached.

You requested in your memorandum of the 10th December last to be advised of the action taken, upon receipt of the Homestead Inspector's report called for as to the extent to which the waters have receded and the value per acre of the formerly submerged land.

Mr. Homestead Inspector Grasse in his report hereunder states:

"The whole of this section is practically dry with the exception of a small strip on the south side, which will in all probability be dry in another season. The part which dried in 1913 this year has considerable grass on it and no doubt the part which dried in 1913 will have this coming summer and the whole thing will eventually grow good hay and pasture.
I would think $6.00 per acre a fair value."

As the Inspector's report does not show the portions in question to have become wholly and permanently dry they may not, under the provisions of the Irrigation Act, be disposed of.

I beg to recommend that the Agent of Dominion Lands at Medicine Hat be instructed to obtain a further report during the coming season.

Respectfully submitted,

Sir,-

N.E. ¼ of Sec. 20 Tp. 10 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

And that I know him to be the same person who enlisted in the United States Army as Aaron Kuhns Gish.

Memorandum:

Mr. Hume.

Re S.E.½ 6-16-10-W. 4th M.
Homestead, Aaron Gish,
Entry granted 6th July, 1915.

This entrant enlisted with the American Expeditionary Forces on the 28th June, 1918 and died of pneumonia on the 15th October, 1918, and a certificate has been furnished by the Adjutant General of the United States Forces to that effect.

As this man's death occurred while on active service, the Legal Representative is entitled to claim the issue of patent.

It was decided, before proceeding in the matter, to communicate with the next of kin, Mr. Ezra G. Gish, father of the deceased, in the matter of identity; Mr. Aaron Gish having enlisted under the name of Aaron M. Gish.

Mr. Gish now forwards an affidavit to the effect that Aaron Gish and Aaron Mohns Gish is one and the same person, Mohns being his mother's maiden name.

Possibly it would be advisable to notify Mr. Gish of the advantage it would be to him to have the patent issue in his own name and to inform him that if he wishes this done it will be necessary for him to file Letters of Administration or a certified copy thereof, if his son left no will.
